

**The AI Employee your business has
been looking for!**

staffix.io

Sound familiar?

89% of SMBs hire underqualified employees

Average new hire training: 40 hours. Full productivity: 3–4 months

60% of staff find another job within the first 3 months

But did you know?

Customer reached out — by the time you replied, they already bought from a competitor

78% of leads buy from whoever responds first

Customers prefer messaging over calling

68% of customers prefer messengers — because of speed
Responding within 5 minutes —
100x higher conversion chance

85% of customers won't write again if they don't get a reply

82% of them want a reply within 10 minutes

And you didn't even know

Average business responds to a lead in 47 hours

Only 20% of SMBs respond within the first hour

60% of calls and messages go unanswered

\$12.15 — average cost of 1 missed call

1 missed call per day = \$4,400 in losses per year

Meet your AI Employee

Staffix:

- Learns in 5 minutes and knows your business inside out
- Responds to your customers in 3–5 !! seconds
- Can fully automate your front-office operations
- Sells, handles objections, qualifies leads, and keeps records
- And much more

Never quits • Never sick • Never forgets • Works 24/7

What the AI Employee can do

Communicates with customers: consultations, sales, objection handling

Instantly, 24/7, in customer's language (Uzbek, Kazakh, Russian, English)

Knows your business

Staff, customers, catalog, prices, descriptions, policies, loyalty programs

Books appointments / takes orders

Checks schedules, stock, places orders, sends notifications, keeps records

Multichannel

Communicates across 4 channels: Telegram, WhatsApp, Instagram, Facebook.

Qualifies leads

And nurtures them to purchase: cold → warm → hot → customer
+ Automation: reminders, reactivation, review collection, broadcasts, promotions

Tracks analytics

Inquiries, conversion, channels, sales, revenue
